FULL SHARE - \$500.00 for 20 weeks of pick-ups.

This will be the same as last year - a market style selection allowing you to choose the items you really like from among our best seasonal crops.

Returning members - please bring your basket if it is still usable or we will provide a new one. New members will receive a new basket. Remember to bring your basket each week you come!

Full share members will enjoy special promotions, coupons, tours, etc. throughout the season.

SPEEDY SHARE - \$ 300.00 for 20 weeks of pick-ups.

This share is for a couple or small family wanting fewer vegetables *and* the convenience of a speedy pick-up.

We will pre-pack a compostable or reusable bag with a selection of 6 - 10 items. Rest assured, you will not get all of one item but a variety from the full share selection. Changing or substituting items not available.

For your convenience, pull up to the CSA tent & we will hand you your bag!

We look forward to 'sharing' the 2019 CSA season with both returning & new members!
